INDEPENDENT AUDITOR'S REPORT To the Members of DELTRON LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of DELTRON LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and a summary of the significant accounting policies and other explanatory information

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order issued under section 143(11) of the Act.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018, and its Loss, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Report on other Legal and Regulatory Requirements

- 1. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) the Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act.
 - e) On the basis of written representations received from the directors as on 31st March, 2018 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - The Company does not have any pending litigations which would impact its financial position
 - ii. The Company did not have any long-term contracts including derivative contracts for which it is required to make provision under the applicable law or accounting standards for any material foreseeable losses.
 - ii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Deltron Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Deltron Limited ("the Company") as of March 31, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH. 2018

Note No

1.1 Company Information

Deltron Limited ("the Company) is a listed entity incorporated in India. The company operates from C-120, Naraina Industrial Area, New Delhi-110028 which is also its Registered office. The company is engaged in trading activity.

1.2 Basis of preparation of financial statements

The Financial Statements are prepared on an accrual basis under historical cost convention except for certain financial instruments which are measured at fair value. These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Companies Act, 2013 ("The Act") and other relevant provisions of the Act, as applicable.

The financial statements upto the year ended March 31, 2017 were prepared in accordance with Accounting Standards notified under the Companies Accounting Standards) Rules, 2006 and other relevant provisions of the Act ('Previous GAAP')

These are Company's first Ind AS financial statements. The date of transition to Ind AS is April 1, 2016. Refer note 40 for an explanation of the transition from previous GAAP to Ind AS and the effect on the Company's financial position, financial performance and cash flows.

The financial statements are prepared in Indian Rupees (Rs) which is also its functional currency.

1.3 Significant Accounting Policies

a) Property, Plant and Equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment loss, if any. Cost of acquisition is inclusive of freight, duties, taxes, other directly attributable incidental expenses

Depreciation on property, plant and equipment is provided using straight line method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

The residual values and useful lives of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Depreciation is calculated on a pro-rata basis from the date of additions. On assets sold, discarded etc. during the year, depreciation is provided up to the date of sale/ discard.

b) Investment property

Investment property are stated at cost less accumulated depreciation and impairment loss, if any. Cost of acquisition or construction is inclusive of duties, taxes and incidental expenses.

The Company is following straight line method of depreciation in respect of buildings. Depreciation on buildings is provided on the basis of useful life and residual value estimated by the management based on a technical evaluation considering nature of asset, past experience, estimated usage of the asset etc. The estimated useful life of building is generally 60 years and estimated residual value is 5%.

The Company has opted to measure all of its property, plant and equipment and investment property at their previous GAAP carrying value and use that carrying value as its deemed cost.

c) Inventory:

Cost of inventory have been computed to include all costs of purchase and other costs incurred in bringing the inventories to their present location and condition.

- i) Stock-in-Trade are valued at cost or net realisable value whichever is lower. Cost is determined using weighted average Rate
- ii) Slow Moving and Dead Stock are valued at net realisable / scrap value.

d) Revenue recognition

Sales are recognized, at values as per agreements, net of returns, trade and volume discounts, if any, on transfer of significant risks and rewards of ownership/effective control to the buyer, which generally coincides with dispatch to customers. Sales excludes value added tax and GST

Interest income from a financial asset is recognised using effective interest rate method.

e) Employee Benefits :

Defined contribution plans

Company's contribution paid/payable during the year to provident fund, and employees' Pension Scheme are recognized in the statement of profit and loss

Defined benefit plans

The liability recognized in respect of gratuity is the present value of defined benefit obligation at the end of the reporting period. The defined benefit obligation is calculated annually by actuary using the Projected Unit Credit Method. Re-measurement comprising actuarial gains and losses are recognized in the other comprehensive income for the period in which they occur and is not reclassified to profit or loss.

f) Tax Expenses

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

i) Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

ii) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities & assets are reviewed at the end of each reporting period.

g) Financial instruments

All financial instruments are Non derivative and consist of:

Financial assets, which include cash and cash equivalents, trade receivables, unbilled revenues, finance lease receivables, employee and other advances, investments in equity and debt Mutual Funds and eligible current and non-current assets;

Financial liabilities, which include trade payables, eligible current and non-current liabilities.

Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

Subsequent measurement of non-derivative financial instruments

- i) Financial assets carried at amortised cost (AC): A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- ii) Financial assets at fair value through other comprehensive income (FVTOCI): A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
 - Interest/ dividend income is recognized in statement of profit and loss for FVTOCI instruments. Other changes in fair value of FVTOCI financial assets are recognized in other comprehensive income. When the investment is disposed of, the cumulative gain or loss previously accumulated in reserves is transferred to statement of profit and loss.
- iii) Financial assets at fair value through profit or loss (FVTPL): A financial asset which is not classified in any of the above categories are measured at FVTPL.
 - Investments: The Company has elected to present the value changes of its Investments in 'Other Comprehensive Income'.
- iv) Financial liabilities: Financial liabilities on subsequent measurement are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

De-recognition of financial instruments

Financial assets are derecognized when substantial risks and rewards of ownership of the financial asset have been transferred. In cases where substantial risks and rewards of ownership of the financial assets are neither transferred nor retained, financial assets are derecognized only when the Company has not retained control over the financial asset. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

h) Impairment

Financial Asset

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

Non financial Asset-Tangible assets

Property, plant and equipment are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the statement of profit or loss. The Company review/assess at each reporting date if there is any indication that an asset may be impaired.

l) Use of estimates

The preparation of the Company's financial statements requires management to make judgement, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

- i) Useful lives and residual value of property, plant and equipment and investment properties: Useful life and residual value are determined by the management based on a technical evaluation considering nature of asset, past experience, estimated usage of the asset, etc and same is reviewed at each financial year end.
- ii) Recoverability of trade receivable: Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.
- iii) Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

1.4 FIRST TIME ADOPTION OF IND AS

The Company has adopted Ind AS with effect from 1st April 2017 with comparatives being restated. Accordingly the impact of transition has been provided in the Opening Reserves as at 1st April 2016. The figures for the previous period have been restated, regrouped and reclassified wherever required to comply with the requirement of Ind AS and Schedule III.

- The fair value of current financial assets and liabilities carried at amortised cost is substantially the same as their carrying amount because of the short duration of these assets and liabilities
- The fair value of investment in Mutual Funds is measured at NAV declared by fund houses
- The financial instruments are categorized into two levels based on the inputs used to arrive at fair value measurements as described below:
 - Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities; and
 - Level 2: Inputs other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

37 Capital Management

The company endeavors to optimize debt and equity balance and provide adequate strength to the balance sheet. The company monitors capital on the basis of debt equity ratio.

38 Financial risk management

The company's activities expose it to various financial risks: Credit risk, Liquidity risk and market risk.

Credit Risk

Credit risk arises when a customer or counterparty to a financial instrument fails to perform or pay the amounts due causing financial loss to the company. Credit risk arises from company's activities in investments and outstanding from customers. The company has a prudent and conservative process for managing its credit risk arising in the course of its business.

For credit risk arising from credit exposure to customers, the Company performs credit evaluation and defines credit limits for each customer. The company also continously reviews and monitors the same.

The provision for doubtful debts or provision for impairment of investment etc is made in case to case basis, based on the information related to financial position, past history, and othe relevant available information about the counterparty.

Liquidity Risk

Liquidity risk arises from the Company's inability to meet its cash flow commitments on time. Prudent liquidity risk management implies maintaining sufficient stock of cash and marketable securities.

The company uses its cash reserves for meeting its business requirements and invests surpluses in the market for generating additional income. The company is debt free.

Market risk

The company operates in domestic markets. Being a trading company it picks up products only against confirmed orders.

APPROVAL OF FINANCIAL STATEMENTS

The financial statements were approved for issue by the board of directors on May 26, 2018.

40 TRANSITION TO IND AS - PRINCIPLE AND RECONCILIATION

These financial statements for the year ended March 31, 2018, are the Company's first annual financial statements prepared in accordance with Ind AS. The accounting policies set out in note 1.3 have been applied in preparing the financial statements for the year ended March 31, 2018, comparative information presented in these financial statements for the year ended March 31, 2017 and in the preparation of an opening Ind AS balance sheet as at April 1, 2016 (the date of transition). In preparing its opening Ind AS balance sheet, the Company has adjusted/reclassified the amounts reported previously in financial statements prepared in accordance with the Accounting Standards specified under Section 133 of the Companies Act 2013 (The Act) and other relevant provisions of the Act (Previous GAAP) to comply with Ind AS. An explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows is set out in the following notes.

Exemptions on first time adoption of Ind AS 101:-

Property, plant and equipment and investment property at deemed cost

The Company has opted to measure all of its property, plant& equipment and investment property at their previous GAAP carrying value and use that carrying value as its deemed cost.

Reconciliation of equity as at March 31, 2017 and April 1, 2016:

Particulars	Note	As At 31/03/2017	As At 01/04/2016
		(Rs.)	(Rs.)
Equity reported under previous GAAP		7,47,82,439	7,43,40,812
Fair valuation for Fianacial Assets	i	70,26,807	59,43,156
Deferred Tax	ii	(21,71,282)	(18,36,434)
Net Inpact of Ind AS Adjustment		48,55,525	41,06,722
Equity as reported under Ind AS		7,96,37,964	7,84,47,534

Notes:

The major reasons for adjustments in Previous GAAP numbers are as under:

i Fair valuation for Financial Assets:

The Company has valued financial assets, at fair value. Impact of fair value changes as on the date of transition, is recognised in opening reserves and changes thereafter are recognised in Statement of Profit and Loss or Other Comprehensive Income, as the case may be.

ii Deferred Tax:

Deferred tax on account of Ind AS adjustments on transition date are recognised in the retained earnings in the opening Ind AS balance sheet.

iii Actuarial gains/losses on defined benefit obligation

The Company recognised costs related to its post-employment defined benefit plan on an actuarial basis. Under previous GAAP, the actuarial gains and losses on gratuity are charged to the statement of profit and loss. Under Ind AS, such actuarial gains or losses are required to be recognised in other comprehensive income. Accordingly, actuarial gain for financial year 2016-17 are re-classified from statement of profit and loss to 'other comprehensive income'. There is no impact on total equity as a result of this adjustment.

Adjustment to the Statement of Cash Flows

The transition from Indian GAAP to Ind-AS had no significant impact on cash flows generated by the company.
